Licenses Denied to Employment Exchanges.

POLICE FINALLY FIND PROOF

Amended Report on Charges Sent Back for More Thorough Investigation Gives Specific Instances of Violations of the Law-Many Other Concerns Face Rigid Inquiry.

Licenses to conduct employment ageneles will not be granted to Ransom B. Phillips, James A. Andrews, J. T. C. Newsom, and Susie White. This decision was reached by the Commissioners as a result of an investigation of charges preferred by the research committee of the Public Association.

Sworn affidavits were presented by Lydia Dent, police matron, of Louisville, Ky., an agent, that the applicants had given the impression that they were engaged in questionable practices.

The matter was referred to the police Separtment by Commissioner West with nstructions that a thorough investigation be made. The papers in the case were returned by Maj. Sylvester, with the statement that an inquiry by the detective force had shown that the charges were not substantlated.

Second Inquiry Bears Fruit.

This report was unsatisfactory to Com police department with instructions that the investigation be renewed, calling attention to a paper containing specific acusations.

The paper in question, according to the police officials, was overlooked, and was not considered in the first inquiry. In an mended report yesterday it was stated that John T. C. Newsom had furnished a girl as a servant in an illegal resort.

igent, whose case has not yet been considered, evidence was produced to show that he had furnished his cards to illegal esorts.

information had been received from various sources regarding the character of other employment agencies, all of which yould receive a thorough investigation

Grades Commission Session Postponed by Illness of Attorney.

The Union Station grade-claims com dission, owing to the illness of Attorney Leo Simmons, who represents cerain property owners, held no session vesterday. The commission will meet at City Hall this morning at 11:30 o'clock. at which time George C. Gortman will submit evidence as to the damage sustained by certain property holders represented by him.

The Commissioners yesterday filed a peition in the District Supreme Court askroperty, and to assess benefits, brought bout by the extension of Massachusetts The property in question is located on the west line of Wisconsin avenue where the street is intersected by North Carolina, and Chase Hood Nichols, the south line of Massachusetts avenue Indiana.

Butter for Thanksgiving Dinner. Of course, you'll want the finest butter for Thanksgiving dinner. You can depend on the quality of the brands sold by James F. Oyster, 9th and Pa. "Four-leaf Clover" Creamery in 5-lb. boxes, Sharpless' Butter, "J. F. O." Prints, and other noted brands.

WANTS EMBALMERS LICENSED. Health Officer Drafts Bill Elimina

ing Incompetent Men. A bill to license embalmers, drafted by Health Officer W. C. Woodward, and indorsed by the Funeral Directors' Associa tion of the District, was yesterday presented to the Commissioners. If it receives their indorsement, favorable action will be requested of Congress.

The measure provides that there shall HANDS TIED, SAYS SYLVESTER be an examining board of five licensed mbalmers appointed by the Commission

Successful applicants for licenses must be twenty-one years old, of good moral haracter, must have had two years' experience in embalming, and must show practical and theoretical knowledge of he business.

Health Officer Woodward said: "I am heartily in favor and accord with the movement for legislation that will prevent incompetent persons from acting as emhalmers, and from assuming charge of bodies infected with communicable dis-
